Evidence of Illegal fire materials (see below)	29	19	23	15	28	54	49	217
LAFD extinguished homeless related fires	0	0	0	0	3	2	1	6

Ongoing new and abandoned encampments found and cleaned up: (2016 - 2022) Remnants of new and abandoned encampments found along **beaches, bluffs and parks and cleaned up by PPTFH volunteers, Dept. of Beaches and Harbors and other community volunteers.**

Preexisting abandoned encampments found and cleaned up: (2016 - 2018) Vacated encampments that existed prior to formation of PPTFH. The encampments, consisting of trash and hazardous materials, were located in the Palisades bluffs and parks. PPTFH volunteers, assisted by the LA Conservation Corps and community volunteers, cleaned up the encampments.

Evidence of illegal fire materials: Related to either abandoned homeless encampments or general public cooking and warming fires.
